HYDRAULIC

TRANSMISSION LIFTER

500KG SAFE WORKING CAPACITY

This 500kg capacity TradeQuip "Made for the Trade" Hydraulic Telescopic Transmission Lifter has a 4 prong mounting cradle. The foot-operated quicklift pump frees up operator's hands when positioning for lift and the hand operated lowering knob provides safety with its extra slow lower control.

FEATURES

- Steel wheels and full swivel ball bearing castors for easy movement
- High polished chrome-plated rams provides smooth operation to maximise its high reach that is lifted by the user-friendly foot pedal
- 4 prong mounting cradle
- Convenient foot pedal allows use of both hands on transmission during lift
- Unique hand release knob provides extra slow control safety when lowering

MADE FOR THE TRADE
