

PRODUCT INFORMATION

POLYMER WORKSHOP TROLLEY

2 TIER WIDE BODY

The polymer (heavy duty structural plastic) construction makes this two shelf extra wide TradeQuip "Made for the Trade" Workshop Trolley durable enough for moving tools and car parts. Easily handles loads up to 226kg. The rubber castors allow you to manoeuvre the workshop trolley without marring the floor. Deep shelves give you plenty of storage for your tools and parts. This is the perfect heavy duty workshop trolley for garages, warehouses and workshops. Heavy-duty structural polymer construction makes this Workshop Tool Trolley tough enough for long, rugged use. Suitable for the loading and movement of heavy-duty parts and tools, this workshop trolley has the largest load capacity in its category with industrial grade castors that perform perfectly under significant load.
