SWIVEL BASE ROTATING JAWS

MULTI PURPOSE VICE

125MM JAWS WITH ANVIL

Constructed of ductile iron, the TradeQuip "Made for the Trade" Multi Purpose Bench Vice range is designed with rugged thick malleable cast body and precision machined jaws, ideal for medium duty work. With a swivel base, the vice body and jaw angle can be rotated to offer full flexibility for holding long and/or awkward working pieces. Our TradeQuip "Made for the Trade" Multi-Purpose Bench Vices do it all. Jaws rotate 360° for unlimited work piece positioning and clamping flat, as well as round stock (with the built-in pipe jaws).

FEATURES

- Body of rugged quality malleable cast iron
- Forge hardened steel serrated jaws
- Precision machined steel screw and handle
- Reinforced mounting lugs
- 360° Swivel base locks in place or greater versatility
- Jaws rotate 360° and lock for unlimited work piece positioning
- Holds flat stock as well as round stock with the built-in pipe jaws
- Large hardened anvil work surface

**MADE FOR THE
TRADE**
