

GARAGE EQUIPMENT

Product Code: **9022**

4 PIECE

LONG REACH PLIER SET

280MM

TradeQuip "Made for the Trade" Long-Reach Needle Nose Pliers give you plenty of room to work in cramped, confined quarters. Ideal for removing out-of-the-way cotter pins, working with wiring harnesses and hundreds of other tasks. Features a compound joint that requires minimal handle opening in tighter spots. TradeQuip long nose pliers are manufactured from chrome vanadium steel for durability, strength and hardness that meets or exceeds ANSI standards.

FEATURES

- Full polished chrome vanadium steel
- Includes straight and angled plier tips
- Ideal for small and narrow spaces
- Drop forged and heat treated for strength
- PVC dipped grips for comfort and control
- Supplied in a sturdy storage wallet

MADE FOR THE TRADE
