

HEAVY DUTY Workshop Equipment

Product Code: BPW1803

Mini Parts Washer

The Borum Industrial Mini Parts Washer has a wall or bench mounting system with an enclosed cabinet ensuring compact efficient storage when not in use. This unit has a pump fed washing gun with a replaceable brush suitable for rapid cleaning. Included in the Mini Parts Washer is a fluorescent lighting system, ensuring excellent illumination for working with smaller parts. This parts washer is perfect for industrial or workshop use. Made from a heavy gauge steel construction & seamless one piece steel tub, the metal cleaning gun and flex hose makes for easy operation.
