COMBINATION

JUMBO SPANNER SET

10 PIECE IMPERIAL

This TradeQuip "Made for the Trade" Jumbo Combination Spanner Set includes 10 popular imperial large-sized combination wrenches from 1 5/16in. to 2in. Made of heat-treated drop forged steel with a chrome vanadium finish. The high-quality, chrome plating looks great and provides a durable, easy-to-clean finish. The ring ends have 15 degrees of offset for knuckle clearance and increased access in tight spaces. Kit includes hard wearing storage roll.

FEATURES
