

# GARAGE EQUIPMENT

Product Code: **TQWT1657**

**POWDER COATED**

## MAGNETIC TOOL TRAY

**SPRAY CAN AND SCREWDRIVER HOLDER**

The TradeQuip Magnetic Parts Trays are handy to help make sure that you never have any small tools or parts floating around the workshop. Mount this TradeQuip "Made for the Trade" metal tray to the side of your metal tool box to store the things you use all the time. The rubber covered, extra strong magnets protect against paint damage. The spray can tray holds 3 common aerosol cans, plus has holes to store 7 screwdrivers.

### FEATURES

- Durable powder coated construction
- Extra strong magnetic base
- Fits perfectly on any vehicle hoist arm to store wheel nuts or other car parts or tools
- Conveniently fits on the side of any roller cabinet or tool chest
- Holds 3 aerosol cans 70mm diameter & 7 screwdrivers
- 8 powerful cushioned magnets resist surface scatching

**MADE FOR THE TRADE**
