Description

The "TradeQuip Made for the Trade" range of workshop fans are heavily constructed industrial duty quality fans ideal for cooling large open workshop areas in the hottest Australian climates. This TradeQuip "Made for the Trade" Oscillating Pedestal Fan is powered by a vented, steel-cased 3-speed 240V 280W motor that delivers 300m³ per min. High-temperature resettable thermal auto reset and durable bearings allow operation in high temperatures. Non corroding aerodynamically balanced cast aluminium blades allow quiet operation. Has 15° fan head tilt and double-locking guard so fan can be aimed wherever necessary. Exceeds Aust Standards requirements.
